Jim,

My name is Barb Lang and I am Richard "Dick" Lang's widow. I'm sad to tell you that Dick passed away on July 16, 2013.

He had end stage kidney disease and was on dialysis but at the end of June 2013 he found out he had advanced lung cancer and there was nothing they could do for him. He passed away three weeks later. He enjoyed updates from the Austin web site and often would tell me about some of the people and memories he had of Austin.

Hi

Friars,

Jim Ellis asked me to send a reminder that our second lunch will be held this Wednesday, October 8th at 12:30 at Gilbert's Lodge on Harper between 8 Mile and 9 Mile in St. Clair Shores. The first lunch was well attended and went pretty well. Hope to see many of you there.

Jim
